You can choose from three different yet challenging routes. The Tour for a Cure (30 Miles), Tour of Life (62 Miles), or the Tour for a Cause (100 Miles).

No matter the distance, you will enjoy the scenic beauty of historic Autauga county while being supported by sag trucks, rest stops, and on-site mechanics, ready to help if needed.

All routes will be a challenge, but the best part is that all of it is for a good cause. 100% of all profits will be donated to the aid in cancer research and survivorship!

If you notice any glitches along the way, no matter how small, please feel free to inform us so that we can make the next time better!
